**ORDER**

**Issued:** June 17, 2003

**Released:** June 18, 2003

By Order FCC 03M-09, released February 26, 2003, a Petition for Extraordinary Relief was granted to permit Family Broadcasting, Inc. ("Family") leave to obtain Commission authorization to assign the licenses for Stations WSTX(AM) and WSTX-FM to Caledonia Communications Corporation ("Caledonia"). At the time, it was contemplated that the assignment would be favorably acted on by May 26, 2003. Id. It now appears that the assignment has been challenged and so its prospects may be less certain.<sup>1</sup>

For purposes of scheduling, the parties are to file a Status Report by June 23, 2003,<sup>2</sup> setting forth: (1) status and prospects for favorable action on the Family/Caledonia assignment; (2) reasons why there should not be a hearing date reset; or (3) suggested dates for resetting a hearing in this case.

SO ORDERED.
